2019 Tournament and Outing Planner

- Pace of Play Policy -

The U.S.G.A. has rated the Front nine pace of play at 2:15 and the back nine at 2:15. Tournaments must keep up with the group in front of them and play ready golf if necessary. If you are not playing at this pace or faster, you must be in position on the course or we will ask you to speed up or skip a hole to regain position.

Definition of out of position: A group is out of position if it fails to: 1) complete the hole preceding a par 3 before the hole ahead is completed; 2) clear the teeing ground of a par 4 before the preceding group completes the hole; or 3) arrive at the teeing ground of a par 5 before the preceding group has reached the putting green. A group is out of position anytime they fail to maintain this spacing. Note: The lead group, and subsequent groups, are in-position when their elapsed time is under the applicable time par or pace of play guidelines.

*If a group fails to play at the stipulated pace or maintain position on the course Red Bridge Golf Club will give the group(s) a warning and ask them to pick up their pace of play. Red Bridge Golf Club reserves the right to make the group(s) skip a hole if they haven't sped up their pace of play after a warning and ample time to make up ground. Outing representative agrees to this policy by signing below.
